SPORTS

ATHLETIC PARK A FISH CEMETERY

Athletic park, the scene of many baseball battles, marathon contests and evening entertainments has played its friends a sad trick in the past few weeks; and, incidentally has proved itself to be as now laid out, only a dry-weather sports field.

When the rains started in, the field became soggy and, later on, the little park sank beneath the water. Still later, when the winter storms appeared in real earnest, the water rose higher and big Chinese cat-fish, from neighboring pond and ditches, took possession of the baseball diamond. The track between the bases was their favorite promenade, while Gibson's box in the center was a kind of observatory for the lazy, piscatorial invaders.

The Chinese Athletic Club had failed to win the championship of the baseball season; but the Chinese cat-fish had regained mastery of the diamond. When the waters subsided (as it has done at frequent intervals between the floods) dozens of these cat-fish have been left to die on the baseball field.

For weeks the baseball field has been unserviceable on account of the mud or water. The experience has been good, however, for the owners will take advantage of the first dry spell to do what should have been done in the first place—raise the level of the field and put in an adequate system for draining the park.

COLD FEET.

You have cold feet because your blood does not circulate freely, which is due to the weak condition of the nervous system. Dr. Miles' Nervine will give strength and force to the nerves, stimulate and equalize the circulation, and your extremities will have the same warmth as other parts of the body. At the same time improve your general health. If first bottle is not beneficial you get your money back.

OUTRIGGERITES HAVE A BLOWOUT

The chowder at the headquarters of the Outrigger Club Saturday night was a success in every way and will be long remembered by all those in attendance. Despite the fact that the weather was bad, about fifty persons enjoyed the function. The Outrigger Club's home was brilliantly decked for the occasion. Following the first sections of the spread speeches were made by Alexander Hume Ford, the surf board enthusiast; Mr. Scudder, Kenneth Brown and others. The remarks and the applause with which they were greeted showed plainly the enthusiasm existing within the club, and suggested a most prosperous future for the organization.

Improvements in the accommodations at the club's headquarters are now under way. A new bathhouse is being put in among other conveniences.

BEGIN TREATMENT AT ONCE.

Have you a weak throat? If so, you cannot be too careful. You cannot begin treatment too early. Each cold makes you more liable to another and the last is always the harder to cure. If you will take Chamberlain's Cough Remedy at the outset you will be saved much trouble. For sale at all dealers. Benson, Smith Co., agents for Hawaii.

TWO ONE-SIDED FOOTBALL GAMES

In the first soccer game at the Mollili grounds Saturday afternoon, the Punahou had an easy victory over the Mailes, the score being 4 to 1. The latter team was clearly outplayed, at no time seeming to be able to check the onslaughts of the enthusiastic Puns. This appeared to be due partly to lack of practice and partly to unwise team arrangement. The only goal scored by the Mailes was from a penalty kick.

The second game—Iron Works against the High Schools—was even more one-sided, the result being 4 to 0 in favor of the iron pounders. In this game the Highs were one man short, and this proved a serious handicap. This game, like the first, was so one-sided as to be without special features. The line up for the first game was as follows:

Punahou.	Position.	Maile.
Paty	g.	Fraser
Bob Catton	rf.	Bob Anderson
Broderick	lf.	Mullen
Farmer Clark	rh.	Andrews

Jack Catton	or.	Nott

This was the line-up of the second game.

Iron Works.	Position.	High School.

BOAT CLUBS WILL HAVE A REGATTA

An important business meeting of the directors of the Healan Yacht and Boat Club was held at 10:30 yesterday morning, President W. F. Heilbron being in the chair and Secretary J. B. Lightfoot keeping tab on the business of the meeting.

Among other things it was decided to order a new sailing skiff, to be built here. This will be a pleasure affair. Seven new members were elected, the applications of which had been posted the required length of time. More applications are in sight to be voted on at the next meeting.

Secretary Lightfoot reported progress on a scheme to have a regatta program on a Sunday in about a month. The Myrtles, he stated, had been seen and were very enthusiastic in the matter. This meet will include the following big events:

- Couple of barge races;
- One two-pair oar race;
- A water polo contest;
- An amateur or "strawberry" race.

A relay swimming race. Several other matters of detail were also disposed of. There was a general expression of appreciation of the interest of W. Lyle of the Myrtle Boat Club, in the coming regatta program. Among other things he has offered to loan one of the Myrtle boats for use in the strawberry race in order that both boats may be the same.

Instancing the enthusiasm which has

been awakened among the members of the Healan Club, about thirty oarsmen turned out at 10 o'clock for practice and keep up the work until one o'clock in the afternoon. Three full crews were out all the time.

SPORTDRIFT

The visit of the Alameda High School athletes is practically assured.

The High School tennis tournament for the Scroggy cup starts today. The games will be played on the Beretania courts. The entries and handicaps are as follows: Class A, scratch, Austin White, Alan Davis, Marcus Monarrat, H. Chillingworth. Class B, half of fifteen, Ed. Carden. Class C, fifteen J. Pratt. Class D, three-quarters of thirty, G. Bush, Lester Marks, R. Purvis, W. Barnhardt C. Dawson.

After the contest for the Scroggy tennis cup the High School singles championship will be decided, and after that the doubles championship. A trophy for a boys' doubles tournament has been offered by E. O. Hall & Son.

The annual meeting of the women's auxiliary of the Outrigger Club will be held at the residence of Mrs. F. M. Swanzey, president, at 3:30 tomorrow afternoon. The report of the president will be read and officers elected for the ensuing year.

TEACHERS GET THEIR OLD PAY

Besides the transactions of the Board of Education at its opening session reported in Saturday's Star, the following took place:

Mrs. William Anahu was granted a life certificate.

Applications of H. M. Wells, Honolulu, and Robert Law, Lahaina, for transfer to Honolulu were placed on file to await vacancies.

Joseph W. Gunn was granted a certificate for St. Augustine private school in North Kohala, and Mrs. L. C. Brickford for one in Hilo.

W. W. Taylor, who has taught four years at Kipahulu, was granted an extension of the summer vacation to enable him to visit his folks in England. Mr. Aiken remarked that anyone serving four years at Kipahulu deserved a vacation.

Action of former Superintendent Babbitt in approving of a land exchange at Kaunakakai with George P. Castle, and in referring a proposed exchange at Kaluaaha with H. R. Hitchcock to Inspector King for investigation was approved.

It was voted to raise to the former rate the salaries of teachers who had completed the prescribed term of two years from the time of the general reduction. This affects about sixty teachers \$5 a month to the good. A request from the Hawaiian Dredging Co. by its treasurer, W. F. Dillingham, that a teacher be appointed for Watertown, Pearl Harbor, accompanied by the offer of a temporary schoolhouse—an old church fitted up for the purpose—was left to the Oahu members and the superintendent. Mrs. Wilcox stated that there was a surplus of \$100 a month left in the salary fund after the raise just declared.

Superintendent Willis T. Pope presided on this first opportunity with ease and tact.

THEY HAVE NO EQUAL.

Don't take a remedy "just as good," when you can get the real article. The fact is, there is no remedy that is any where as reliable and safe for the cure of pain of all kinds as Dr. Miles' Anti-Pain Pills. They are quick in action contain no injurious drugs, are perfectly harmless, and leave no disagreeable after-effects, 25 doses, 25c. Never sold in bulk.
